CARRER OBJECTIVE

I am an enthusiastic Computer Science engineering student with hands-on project experience, actively seeking opportunities to apply my skills and contribute to real-world projects in a dynamic team environment.

EDUCATION

2022 – 2026 - B.E Computer Science and Engineering | CGPA: 6.59

Vel Tech High Tech Dr.Rangarajan Dr.Sakuntala Engineering College

2008 – 2022 - 10th: 77.8% | 12th: 61.3%

VAIRAMS Matriculation Higher Secondary School

SKILLS

Technical: Python, SQL

Software: Visual Studio Code, Jupyter Notebook

Tools: Canva, Power BI,

INTERNSHIP

Data Science | Acmegrade

Gained hands-on experience in data analysis, visualization, and machine learning using Python libraries like NumPy, Pandas, Matplotlib, and Scikit-learn.

Data Science | Top Tech Developers

Learned core concepts of data science and implemented Python-based data analysis, visualization, and basic machine learning models.

PROJECTS

Heart Rate Monitoring System Using Iot

- Designed an IoT-based system to monitor real-time heart rate using a pulse sensor and microcontroller.
- Integrated cloud platform for data visualization and alerts on abnormal readings.

Investigating The Recognition Of Oil Spills In The Ocean Via Appearances Using Random Forest Classification And Dcnns

- Investigated oil spill recognition in ocean environments using Random Forest and Deep Convolutional Neural Networks (DCNNs) for enhanced classification accuracy.
- Designed and evaluated feature-based and deep learning models to distinguish oil spills from similar ocean surface phenomena.

ACHIEVEMENTS

- Completed NPTEL courses with Elite certification in Joy of Computing using Python (68%)
- Prepinsta – Python, Data Analytics
- Udemy - Power BI

EXTRACURRICULAR ACTIVITIES

- Attended workshops and networking events, gaining exposure to industry trends and professional connections.
- Actively playing cricket for several years; participated in multiple leagues and tournaments. I was a member of my college cricket team, contributed as a dedicated team player.
- I was the Head of the Promo Team for my college symposium.
